

**Assist Number: 087 135 1241**

TRA has partnered with **MobiMed Assistance (Pty) Ltd (MobiMed)** to provide a mobile app which has exciting services available to all Gap Cover and Female Cancer Cover policyholders, irrespective of option choice. If a policyholder does not want to or cannot download the app, they can still utilise these services by using the **Assist Number** above.

The app is available to the main policyholder, who can also invite their dependants who are **OVER THE AGE OF 18 YEARS OLD**. Please note that only the main policyholder will be able to modify the profile details on the app. You should add as much information as possible under your profile, in order to make the most of the services provided to you.

**NB:** If you already have access to the TRA Assist services, you will not receive access again e.g. if you are a Gap Cover policyholder, you will not receive another/ a second login account if you also join Female Cancer Cover. This means that you will only be able to access all of the services once i.e. you only have access to a total of 6 Home Drive trips per policy per annum, regardless of the amount of products you have i.e. Gap Cover as well as Cancer Cover. You will not receive an additional 6 trips.

**NB:** For the app to work to its full potential, leave your cell phone's GPS location service on. **For each of the benefits, once the request has been submitted, a TRA Assist agent will make contact to provide assistance for the service you require.**
