**GAP COVER: The Important Information**

**All of our 2024 Gap Cover Policies:**

- Provide benefits for a policyholder and their spouse and those financially dependent on them (child/children and/or aged parents) who are covered on one policy of a registered medical aid scheme. **Subject to proof of membership and the premium being based on the age of the oldest beneficiary.** Members and their dependants can also be on two different medical aids and one Gap Cover Policy but only if they are legally married, or common law partners verified by submission of an affidavit confirming 12 months of cohabitation.
- Have no entry age limit.

- May allow for immediate benefits for all policyholders except for a limited list of specific conditions and/or procedures (**there is no general 3 month waiting period**).
- Cover Prescribed Minimum Benefits (PMB's) where a medical aid scheme has failed to meet its obligations in this regard (Subject to medical aid scheme review and for non-emergencies only).
- **Are not medical aid schemes. The cover is not the same as that of a medical aid scheme. The cover is not a substitute for a medical aid scheme membership.**
