TOTAL RISK GAP COVER

THE POLICY

In consideration of and conditional upon the prior payment of the premium by or on behalf of the Insured and the receipt thereof by or on behalf of the Insurer before the join date or renewal date (as the case may be) and subject to the terms, exceptions, conditions and provisions of the Policy, the Insurer agrees to pay the Principal Policyholder for an insured incident occurring during the period of insurance up to the Maximum Benefit Insured stated for the Policyholder and the benefit as stated in the Policy.

To be covered by this Gap Cover Policy you and your dependants must belong to a medical aid scheme which is registered with the Council for Medical Schemes. Medical Insurance does not qualify for Gap Cover.

The Policy, its certificate, schedules and annexures/endorsements shall be read together as one contract.

The Intermediary and Underwriting Management Agent (UMA) have an agreement with the Insurer in terms of which remuneration is payable for the insurance business. If the Policy was sold to you by the Intermediary's telemarketer, the same details as those of the Intermediary are applicable. Recordings of the telephone discussion with the telemarketer can be made available to you on request.

The Intermediary receives commission (up to 20% of the premium contribution) and the Underwriting Management

Agent receives administration fees which are equal to 14% of the premium contribution. VAT at the prevailing regulated rate is included in the monthly premium payment. In terms of Binding General Ruling No. 14, this document constitutes a tax invoice, debit note, or credit note as contemplated in section 20(7)(a) and 21(5)(b) of the VAT Act respectively.

CONDITION PRECEDENT

Strict compliance by both the Policyholder and Total Risk Administrators (PTY) Ltd (referred to as "TRA") with all provisions, conditions and terms of the Policy shall be a condition precedent to liability on the part of TRA hereunder.

It remains the responsibility of the Policyholder to inform TRA within 31 days of any changes to their membership status i.e. change of medical aid scheme, change of physical address, change of email address, telephone contact numbers, change in dependant status e.g. birth, death, divorce and banking details.

When Can You Claim?

WAITING PERIODS

There is no general three (3) month waiting period.

In the event that an Insured Party previously had a similar Medical Expense Shortfall Policy, not longer than 90 days before the inception of this Policy, the period of the 10 month Condition-Specific Waiting Period, 9 month Cancer Diagnosis Waiting Period, and 6 month Pre-existing Condition Waiting period (which run concurrently) explained below, may be reduced by the expired portion of the Condition-Specific Waiting Period/s served under such previous Policy. PRESCRIBED MINIMUM BENEFIT CONDITIONS (PMB'S)

In terms of the Medical Aid Schemes Act of 1998 (Act number 131 of 1998) and its regulations, all medical schemes have to cover the costs related to diagnosis, treatments and care of:

- any life-threatening emergency medical condition.
- a defined set of 270 diagnoses and
- 27 chronic conditions.

These conditions and their treatments are known as the Prescribed Minimum Benefits (PMB's). All medical schemes in South Africa have to include PMB's in the health plans they offer to their Policyholders. There are, however, certain requirements that a Policyholder must meet before he or she can benefit from the PMB's, as follows:

- The condition must be part of the list of defined PMB conditions.
- The treatment needed must match the treatments in the defined benefits on the PMB list.
- Policyholders must use the scheme's designated healthcare service providers.

PMB'S are covered, but for non-emergency PMB conditions only. The Medical Schemes Act (131 of 1998) clearly states that a medical scheme must cover all emergency PMB conditions in full / at cost and all non-emergency PMB conditions subject to the medical scheme's approved rules. TRA processes non-emergency PMB claims only once valid reasons for the scheme rejecting the above tariff portion of such claim is received by TRA, and the reason for the rejection is aligned to the definitions of PMB's per the Medical Schemes Act (131 of 1998). The PMB claims process, in certain circumstances, will require the Policyholder to liaise with their medical scheme to obtain the necessary information confirming the reasons as to why the scheme is not covering these types of claims in full / at cost. The required information must be submitted to TRA within 90 days from the date of the request or the claim will be rejected as late/stale in terms of the Policy and will not be paid. All other terms and conditions apply.

ELIGIBILITY

- Only the Policyholder, Spouse and dependants who are members on one policy of a registered medical aid scheme may be covered on one TRA Gap Cover Policy. (Subject to proof of membership and the premium being based on the age of the oldest beneficiary.) If the Policyholder's medical aid scheme is terminated/cancelled at any point, it is the Policyholder's responsibility to inform TRA in writing, that the Gap Policy has to be cancelled/terminated too. To be

PLEASE NOTE THAT ANY FUTURE CLAIMED AMOUNT/S WILL BE DEDUCTED FROM THE TOTAL AMOUNT OWED, IRRESPECTIVE OF ANY PAYMENT ARRANGEMENT IN PLACE.

THE CORRECTNESS OF STATEMENTS MADE TO THE INSURER

The Insurer relies on the truth, completeness and correctness of all statements submitted. If the benefits granted, or reinstatement thereof has been obtained through any misrepresentation or concealment, this Policy shall be void and monies paid in respect thereof shall be forfeited.

Should any benefits have been paid out on the basis of the information provided by the Insured Person, Scheme, Service Provider/s or an Intermediary, or any other relevant third party acting on behalf of the Insured Person (where any third party acting on behalf of the Insured Person is deemed to be an agent of the Policyholder), to the Insurer, and such information subsequently proves to be incorrect in any material respect, the Insurer shall have the right to take such steps as may be required to put it in the position it would have been in if the correct information had been provided in the first instance.

These steps are at the discretion of the Insurer and may include the repudiation of all claims, a refund from the Insured Person/Policyholder back to the Insurer for any covered claims, and the possible immediate cancellation of the Insured Person's Policy.

PREMIUM PAYMENT

All premiums are payable monthly. The period of grace allowed for non-payment of premiums is 31 days after the month in which the premium was due. If the premiums are not paid within the period of grace, the Policy will lapse. If premiums in whole or in part are in arrears, then no claim shall be payable. Should a backdated termination arise due to non-payment of premiums, any claims paid between the last date of receipt of a premium and the termination date will be reversed and the Policyholder will be liable to pay these claims amounts to the Insurer. It is the Policyholder's responsibility to monitor that monthly premiums are received by the insurer.

Where payment is to be made to or by the Insurer it shall be made in the currency of the Republic of South Africa.

Where payment is to be made to the Insurer, proof of such payment must be submitted to TRA and the Policy number must be used as a reference. (Phone (011) 372-1540 for details).

Tax Certificates:

Please note that Gap Cover is an insurance product, and Gap policy premiums do not qualify for tax deduction in the same manner as your medical aid contributions, leading to the ineligibility of IT3 tax certificates for this purpose. As a result, we do not provide tax certificates for gap cover.

AMENDMENT TO BANKING DETAILS

Amendments to personal banking details which relate to debit orders or claim refunds must be received by TRA within 7 working days prior to the action date for such transaction.

LIABILITY OF THE INSURER

The liability of the Insurer, unless otherwise agreed with the Insured, shall be limited to the benefits actually purchased by the premiums received according to the rates in force in respect of benefits agreed on under this Policy at the time of purchase.

In accordance with the Policyholder Protection Rules, you will as a first step have 90 days, from the date of the claims decision communication sent to you, to dispute the outcome of your claim, by contacting our Complaints Department at complaints@totalrisksa.co.za or 011 372 1540 (but the complaint must be in writing to be valid). Immediately following this 90-day period, you have a further 6 months to serve summons on us. If you do not do so within this time period, your right to challenge the decision will be forfeited.

Termination or Alteration

COVER SHALL CEASE:

- At 24h00 hours on the last day of cover on which the premium has been paid. If a premium is not paid when due or if a premium debit is dishonoured, unless the Insured can prove to the satisfaction of the Insurer that this was an error by his paying agent.
- Once the Insured (or his legal representative) has given one (1) month's written notice to terminate this Policy, or once the Insurer has provided at least 31 day's written notice to the Insured of any such termination. Upon receipt of this notice, all the benefits will be cancelled forthwith and all subsequent premiums paid will be refunded.
- Upon the death of the Policyholder, the Policy may be terminated. A new Policyholder who will be responsible for payment of premiums can be nominated or the Policy can be terminated.

ALTERATION

- The Insurer must be advised of any new dependants to be added to the Policy. See ELIGIBILITY requirements above.
- Failure to advise TRA of resignation from a medical aid does not constitute a valid claim for a refund of premiums collected. Where a Policyholder terminates their medical aid scheme membership without notifying TRA to terminate their Gap Cover policy, and subsequently seeks reimbursement for the gap premiums paid after the termination of their medical aid, the reimbursement of such premiums is subject to certain conditions:

- The reimbursement of these gap cover premiums will be solely at the discretion of the TRA management committee, who will determine its appropriateness on a case-by-case basis;
 - The reimbursement will be limited to a maximum period of 12 months. This means that even if the Policyholder has paid gap premiums for a duration exceeding one year following the cancellation of their medical aid, they will only be eligible for a reimbursement of 12 months' worth of premiums and no more.
- Cover and premiums etc. may be altered by the Insurer upon giving at least 31 day's written notice of any possible changes to the Policy.

This Policy cannot be reinstated, under any circumstances, after Policy termination as described above.

OPTION CHANGES/NEW POLICIES:

A Policyholder cannot change product option plans during the year. Policies are only renewable annually within a certain time frame which is stipulated in the year-end communication to the Policyholder. However, if the Policyholder is for some reason permitted by TRA Management to change product option plans at another time apart from this time frame, and if any amount is claimed for thereafter, OR, if they resign from this current Policy and join under a new plan and Policy number, the first claim made under this Policy may be subject to an excess (the amount of this excess will be equivalent to the lower of 5% of the total value of the processed claim OR R10 000). Upon changing options or joining a new Policy after resigning from current Policy membership, Option Benefit limits as stipulated in the Schedule may be pro-rated.

CONSENT FOR COMMUNICATION

TRA has a duty to keep Policyholders updated about any offers and new products that are made available from time to time. TRA might communicate about these. As a Policyholder who has accepted this Policy, you accept this possible communication channel.

USE OF PERSONAL INFORMATION

When you enter into this Policy you will be giving TRA your personal information that may be protected by data protection legislation, including but not only, the Protection of Personal Information Act, 2013 ("POPIA"). Should you require any explanation about the terms, conditions, exclusions, provisions, premiums, excess (or deductibles) or any other information, please contact your broker or TRA for assistance.

6. Extent and Nature of Premium Obligations Premium

The premium and all accompanying charges are detailed on your policy schedule. Method of payment: Monthly premiums are to be paid on the designated day of each calendar month (due date). Consequence of Non-Payment: Should you fail to make payment on or before the due date, you have a period of grace for the payment of premiums of not less than 31 days after the relevant due date. In the case of a monthly policy, this provision will apply with effect from the second month of the currency of the policy.

7. Warning

Do not sign any blank or partially completed application forms. Complete all forms in ink. Keep all documents handed to you. Make notes as to what is said to you. Ask for a letter of representation from your advisor. Do not be pressurised into buying the product. Failure to provide correct or full relevant information may influence an insurer on any claims arising from your contract of insurance.

8. Conflict of Interest Policy

We have considered the conflict of interest provisions in terms of the FAIS Act 37 of 2002 and have not identified any actual or potential conflicts of interest, either ownership interest, financial interest, third party relationships associates or distribution channels as defined. We adopt a values based approach where the spirit of the legislation is embraced. This is reviewed at least annually and reported on to the Financial Sector Conduct Authority. A conflict of interest management policy is available to clients upon request.

In the past financial year, the UMA received more than 30% of its income from the Insurer. The UMA has a written mandate (Binder agreement) to act on behalf of the Insurer.

Auto&General Insurance Company Limited, Hippo Advisory Services (Pty) Ltd and Total Risk Administrators (Pty) Ltd are wholly owned subsidiaries of Telesure Investment Holdings (Pty) Ltd and therefore are associates. Auto&General Insurance Company Limited has applied to the Financial Sector Conduct Authority for an exemption in relation to this relationship.

was given orally, you will receive this information in writing. A Polygraph or lie detector test is not obligatory in the event of a claim and the failure thereof may not be the sole reason for repudiating a claim. If the insurer wishes to cancel your policy, this will be given in writing to your last known email address. If your premium is paid by debit order, the debit order must be in favour of the Product Supplier (Insurer) and may not be transferred to any other party without your approval.

10. How to institute a Claim

Claims must be submitted to TRA. TRA may assist in the electronic identification and submission of qualifying claims. However, the onus remains on the Insured to ensure that relevant claims are submitted. If you receive a summons or notice of impending legal action with regards to a claim in terms of your policy, notify TRA or the product Supplier (insurer) immediately and forward any documentation to them.

11. Sharing of Information

Insurers may share information with each other regarding policies and claims with a view to preventing fraudulent claims and obtaining material information regarding the assessment of risks proposed for insurance. By reducing the incidents of fraud and assessing risks fairly, future premium increases may be limited. This is done in the public interest and in the interest of all current and potential policyholders. The sharing of information includes, but is not limited to, information sharing via the Information Data Sharing System operated by TransUnion ITC on behalf of the South African Insurance Association.
